SATELLITE SYMPOSIA - \$25,000

The **International Conference On Opioids** program committee invites medical educators to submit proposals for symposia to be presented in conjunction with the conference. The Non-CME satellite symposia sessions are the exclusive opportunity for educational programs supported by grants from industry in dedicated time slots during the **ICOO2018** conference. Corporate satellite symposia (CSS) will be held during breakfast, lunch or dinner hours and do not compete with other scheduled programs or social activities. **ICOO2018** will not approve any other educational programs or social events directed at the same audience during the official dates and times of the **International Conference On Opioids**.

- CSS are held in conjunction with **ICOO2018** and preconference programs.
- Morning and noon symposia will be offered, drawing 80–100 attendees.
- **ICOO2018** provides breakfast and lunch to all attendees prior to CSS.
- The corporate satellite symposia guidelines and proposal form are available on the **ICOO2018** website.
- The **ICOO2018** Conference Committee will review all proposals based on the quality of the proposed program and relevance to the management of opioid prescribing. All programs must be free of commercial bias. The Conference Committee is seeking programs that are fresh and original.

- Single Exhibit Space (6' table)
- Full Page Ad in the Conference Program Guide
- Recognition in All Conference Marketing Material (subject to deadlines)
- Recognition in Conference Ad in Journal of Opioid Management
