## Important Information and CME

Jointly Provided by Boston University School of Medicine and Weston Medical Publishing, LLC.

**Faculty Disclosure:** Boston University School of Medicine asks all individuals, and their spouses/partners, involved in the development and presentation of Continuing Medical Education (CME) and Continuing Nursing Education (CNE) activities to disclose all relevant financial relationships with commercial interests. This information is disclosed to CME activity participants prior to the start of the educational activity. Boston University School of Medicine has procedures to resolve all conflicts of interest. In addition, faculty members are asked to disclose when any unapproved use of pharmaceuticals and devices is being discussed.

**Accreditation:** This activity has been planned and implemented in accordance with the accreditation requirements and policies of the Accreditation Council for Continuing Medical Education (ACCME) through the joint providership of Boston University School of Medicine and Weston Medical Publishing, LLC. Boston University School of Medicine is accredited by the ACCME to provide continuing medical education for physicians.

This activity has been approved for *AMA PRA Category 1 Credits™*.

**RN Credit:** Continuing Nursing Education Provider Unit, Boston University School of Medicine is accredited as a provider of continuing nursing education by the American Nurses Credentialing Center's Commission on Accreditation.

**CPE Credit:** The University of Rhode Island College of Pharmacy is accredited by the Accreditation Council for Pharmacy Education as a provider of continuing pharmacy education.

**ADA Support:** Boston University School of Medicine and Weston Medical Publishing, LLC fully comply with the legal requirements of the ADA and the rules and regulations thereof. If any participant in this educational activity is in need of accommodations, please contact Michael Glynn at 781-899-2702 Ext. 103 by May 1, 2020 in order to receive services.

**Cancellations:** Should you be unable to attend, please inform us in writing prior to May 1, 2020 and a full refund less a 25% non-refundable administrative fee will be issued. No refunds or credits will be given for cancellations received on or after May 2, 2020. Substitutions of enrolled registrants must be made in writing. If for any reason this conference is canceled, the conference organizers and sponsors do not accept responsibility for covering airfare, hotel or other costs incurred by conference registrants. The speakers and agenda of this program are subject to change without notice due to unforeseen circumstances beyond the control of conference presenters.

**Conference Location:** The 2020 International Conference On Opioids is located at the George Sherman Union at Boston University, 775 Commonwealth Ave, Boston, Massachusetts, 02215, USA

**Hotels:** Please visit [www.opioidconference.org](http://www.opioidconference.org) for hotel and transportation details.

The Journal of Opioid Management presents this activity for educational purposes only. Participants are expected to utilize their own expertise and judgment while engaged in the practice of medicine. The content of the presentations is provided solely by presenters who have been selected for presentations because of recognized expertise in their field.

**Do you prescribe or manage opioids for patients?**

*Reduce risk for you and your patients. Provide better outcomes for those on opioid therapies.*

**If you are involved in prescribing opioids, you need to join us for this unique educational opportunity to learn from leaders in the field.**

This intensive 2+ day program is led by renowned specialists and is designed to inform physicians, NPs, PAs and other healthcare professionals, in the uses, abuses and legal ramifications of opioids. You and your team should attend to learn the latest in the challenging and complex field of opioid analgesics.

**Why should you attend?** The conference features a full schedule of topics and speakers who will address all aspects of the medical use of opioids.

- Hear about exciting developments in opioid neurology, pharmacology and applications
- Learn the latest concepts, ethics and legal aspects
- Gain an understanding of the newest methodologies for the delivery of opioids and opioid rotation
- Participate in constructive panel discussions and case studies with top professionals in opioid management
- Take advantage of meeting thought leaders and networking with colleagues. **Register today!**

**Don't miss this opportunity!**

**Bring three or more, save an additional \$50 each**
